To Whom It May Concern:

Laura Leal, LeGrand Love & Lilly Tran are students enrolled in good standing at Columbia College Hollywood. The student is currently taking a course where students must shoot their own projects. As the VP of Operations, I can attest that Laura, LeGrand and Lilly are well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

The College does cover \$2 million in damage and liability, save a \$2,500 deductible, which is the responsibility of the individual students, should the need arise. Per the guidelines of our College, this project is not being made for commercial profit of any kind, and as is the case with many student films, the project is being shot on a no-frills budget. Therefore, we hope you can give Laura, LeGrand & Lilly any aid possible. The title of the project is "ROOTS OF TENSION" and the scheduled shoot dates are 18, 19 & 20, 2019.
